R.C.No. ~~17168~~ 17618 -X3/56 dated 2-6-1956

Sir,

Subl Education - Fisheries School at Hadavinakone ~~Hadairnallore~~ in South Kanara District - Building Providing additional accommodation orders requested.

Ref: G.O. Ms. No. 1455 Agriculture dated 23-11-1955

1 In the G.O. cited, Government have permitted the owner of the Hadavinakone Fisheries School building for providing additional accommodation of 40 school places. But it is now felt that additional accommodation is necessary for 100 school places against 40 school places originally proposed as the strength of the school is on the increase every year. The Assistant Director of Fisheries, Mangalore reports that the present strength of the school is 213 with an average attendance of 200 and that this strength is likely to increase to 240 or 250 in June 1956. The existing building provides accommodation for 169 children of which 30 school places is being utilised for conducting classes in coir handicrafts leaving about 140 school places for regular classes. The Assistant Director of Fisheries Mangalore reports that the owner of the school building is agreeable to provide additional accommodation of 100 school places as now proposed by the Assistant Director instead of 40 school places originally agreed to and to receive the rent fixed by the Public Works Department on completion of work.

2 I, therefore, request that Government may be pleased to permit the owner of the school building of the Hadavinakone Fisheries School to provide additional accommodation, of 100 school places in stead of 40 school places (sanctioned in G.O. cited) on the assurance of paying the rent fixed by the Public Works Department.
